ABSTRACT TOPICS

Same as workshops topics / sub-topics, as well as the three main categories: B (basic research), T (translational), C (clinical).

Please add a note:

Please note that single case studies with concept of n=1 design will also be considered.

SUBMISSION RULES

- All abstracts submitted online will be reviewed by the Scientific Programme Committee.
- Abstracts should be submitted via the on-line submission system only; abstracts submitted by fax or email will not be reviewed.
- Abstracts must be received by the announced deadline. Abstracts received after the deadline will not be considered.
- All abstracts must be submitted and presented in clear English with accurate grammar and spelling of a quality suitable for publication.
- The content of the abstract should not have been previously published or presented at national or international meetings prior to Pain in Europe XIV.
- To correct an abstract that has already been submitted or to submit another abstract, please use the log-in and password which you received when you submitted your original abstract. This will enable you to access the previously submitted abstract/s or to submit an additional abstract/s.
- The presenting author is required to ensure that all co-authors are aware of the content of the abstract.
- After your abstract submittal you will be sent an automatic e-mail confirming your successful submission. If you do not receive this confirmation e-mail, please contact the Congress Secretariat at EMAIL

IMPORTANT

Only accepted abstracts of fully registered presenters will be included in the final scientific programme, and the presenting authors are expected to attend physically the congress to present their poster. If the presenting author is registered but unable to attend the meeting, the poster can be presented by a registered co-author.

If you are presenting more than one poster, each poster will be scheduled in a different poster presentation session, or you will be asked to indicate another registered author to present.

PREPARATION GUIDELINES

Abstracts must be submitted in English with accurate grammar and spelling of a quality suitable for publication. If you need help, please arrange for the review of your abstract by a colleague who is a native English speaker, by a university scientific publications office (or other similar facility) or by a copy editor, prior to submission.

Before you begin, please prepare the following information:

1. Presenting author's contact details (note: same fields we have been using for registration & workshops)
   o Email address + alternative email to ensure good reception of our communication
   o Affiliation details: department, institution / hospital, city, state (if relevant), country
   o Telephone number
2. Author and co-authors' details (note: same fields we have been using for registration & workshops)
   o Full name (first name(s) and family name(s).
   o Email address
   o Affiliation details: department, institution / hospital, city, state (if relevant), country
